A Family Owned &  
Operated Business

On your next visit to Philadelphia, plan to stay at the Cornerstone Bed and Breakfast. Ideally located in the University City District, you will be within walking distance of all that Philadelphia has to offer. Restaurants, shops, historic sites as well as Drexel University, the University of Pennsylvania, the Philadelphia Zoo and the Philadelphia Museum of Art are all well within your reach. We offer you affordable accommodations and the opportunity to enjoy a part of our history. The inn itself is an 1865 Victorian stone mansion which has been updated with modern amenities for your comfort while preserving its architectural beauty.

Our facility accommodates both business and leisure travelers alike. Relax and enjoy one of our six beautifully appointed rooms and suites each possessing their own unique personality. Each room features a private bath plus everything you would require to rest in comfort.

As a family owned business, the Cornerstone Bed and Breakfast prides itself on providing you a home away from home while traveling. We strive to provide excellent customer service and a comfortable overnight experience.

## Every Room is a Work of Art

Choose from our six uniquely designed rooms. Each room offers you a different atmosphere of rest and relaxation.

### THE FAIRMOUNT ROOM

This is the largest guest room and is decorated with a Ralph Lauren plaid and boasts a golf theme. Outfitted with a king-sized bed this spacious room promises a restful night.
